Milestone

2003

- Hangke Optoelectronics founded
- Started white LED package

2008

- Started SMD package: SMD2835, SMD3014, SMD5630 etc

2010

- Started filament R&D
- Developed the 1st filament strip together with Zhejiang university

2013

- Started filament production

2014

- Got LM-80 certification of filament
- Started filament bulb production
- Started export business of filament bulb

2016

- Set up An'hui HangKe factory
- HKLED listed in stock market

2019-

- We are on the way

Factory add: No.33 Xianxing road, Xianlin town, Yuhang district, Hangzhou, Zhejiang, China, 311122

Stock No.: 834043
